HOW INTRODUCTIONS WORK

- 1

Client inquires

An operator, investor or founder submits a brief through Request an Introduction.
- 2

We review & match

Our desk vets the inquiry and matches it to your jurisdiction and practice area.
- 3

Introduction made

We introduce you personally, in confidence. You choose whether to take it on.
- 4

Pay only on success

The €299 fee applies solely if that client instructs and pays your firm.
